EVENT DETAILS & LOGISTICS

DATE & TIMES:

The event will be held at Cootamundra Airport in Cootamundra, NSW.

Fri 3rd April & Sat 4th April 2020

ACCREDITATION & SCRUTINEERING:

Scrutineering and accreditation will be open on the following times

Thursday 2nd April – 4pm-6pm
Friday 3rd April – 7.30am-5.30pm
Saturday 4th April – 8.00am-1.00pm

If you arrive outside of these times you will not be scrutineered and able to race. Please make sure you read the rules on our website so your car can pass scrutineering the first time.

To save time, please print off copies of the driver and pit crew indemnity form so it can be filled out ready to sign on the day and hand in during accreditation.

When you arrive you will be required to sign in at "driver accreditation". Any unpaid monies will be paid and indemnity form signed. Drivers will then need to watch a driver's briefing video inside the terminal. They will then be given a driver's armband which allows you to drive and enter the venue, as well as 3 pit crew tickets..

Your pit crew then have to hand in their ticket at the "crew accreditation" to receive their armband to gain access. They must also sign an indemnity form and show their license as proof of ID.

The pit-crew passes will have your name written on them so anyone wearing one is your responsibility. It is the driver's choice who receives pit crew passes, do not give them out to people you have not personally invited as YOU are responsible for their behaviour. Pit crew "tickets" purchased on the day will cost \$60. This is done to stop people tagging along rather than being official pit crew.

Drivers must then install their window banner and have their car ready for photos. Once all paperwork is done and photoshoot finished, drivers can then set-up their pit and hit the track.

Please remember that your pit crew are your responsibility so if they misbehave YOU will be removed from the event along with your entire crew.
