## NOTES ON LICENCE DECLARATION FORM

Below is some important information on declarations:

1. These licence and logbook declarations state that a racer is a current licence/logbook holder of IHRA. If your licence has expired and is not currently being processed by IHRA you CAN NOT sign a declaration. Having just put the licence in the mail does not mean IHRA is processing the licence. It is the responsibility of the racer to ensure all paperwork has reached the IHRA office and is being processed before they sign the declarations.
2. Racers will be invoiced for these declarations if not at any fault of IHRA.
3. If a competitor has a current licence and returned the licence and competitor passbook to IHRA head office for renewal, they will NOT be charged or fined for the declaration.
4. Any racer found to be signing a false declaration i.e.: paperwork still in the mail, or not yet been received or updated by IHRA will be fined and/or suspended for a period of three months.
5. Any racer who "just left the licence/logbook at home" will be charged for the invoice (logbook declaration \$110.00 inc GST and licence declarations \$55.00 inc GST).
6. Any racer that signed a declaration is required to be scrutineered.
7. The decision to charge a racer for a declaration lies with IHRA head office, not IHRA stewards/officials on the day.
