NOTES ON VEHICLE LOGBOOK DECLARATION

Below is some important information on declarations:

1. These licence and logbook declarations state that a racer is a current licence/logbook holder of *IHRA*. If your licence has expired and is not currently being processed by *IHRA* you CAN NOT sign a declaration. Having just put the licence in the mail does not mean *IHRA* is processing the licence. It is the responsibility of the racer to ensure all paperwork has reached the *IHRA* office and is being processed before they sign the declarations.
2. Racers will be invoiced for these declarations if not at any fault of *IHRA*.
3. If a competitor has a current licence and returned the licence and competitor passbook to *IHRA* head office for renewal, they will NOT be charged or fined for the declaration.
4. Any racer found to be signing a false declaration i.e.: paperwork still in the mail, or not yet been received or updated by *IHRA* will be fined and/or suspended for a period of three months.
5. Any racer who "just left the licence/logbook at home" will be charged for the invoice (logbook declaration \$110.00 inc GST and licence declarations \$55.00 inc GST).
6. Any racer that signed a declaration is required to be scrutineered.
7. The decision to charge a racer for a declaration lies with *IHRA* head office, not *IHRA* stewards/officials on the day.
